ABOUT MEGAWIDE

Megawide is one of the leading infrastructure and engineering innovators in the Philippines. Publicly-listed since 2011, it is one of the largest contractors for private sector construction projects in the country and the private partner of the Philippine Government for flagship infrastructure projects such as the development of the Mactan-Cebu International Airport (MCIA) and the Paranaque Integrated Terminal Exchange (PITX). Megawide is also the construction partner for the Clark International Airport New Passenger Terminal Building. It is currently undertaking the construction of the Malolos-Clark Railway Project Package 1, and the modernization of Cebu's historic Carbon Market District. In 2012, the company established Megawide Corporate Foundation, Inc., a non-profit organization focusing on social development projects.
